

Emile Faurie
World Class Dressage for Horse and Rider

Team Faurie has been out in force over the last few months and we have some great results to be very proud of.

Training is full on through the winter and with Lara going to work with the fabulous Bectolschiermers there is room for a training livery!

Please do not hesitate to contact me if you wish to discuss any of the results or enquire about training.

See you all on the circuit!

Emile
